April 13, 2026

The International Campaign for Tibet and partner organizations are organizing Tibet Lobby Day (TLD) on June 8 and 9, 2026, when hundreds of Tibet supporters and Tibetan Americans from across the United States will come to Washington, DC to meet with their Members of Congress.

In face-to-face conversations with their elected officials, volunteer activists will ask for decisive and concrete action in the 119th Congress to promote Tibet-China dialogue and to preserve Tibet's unique cultural, linguistic and religious heritage. Previous TLDs have been integral to protecting Tibet funding and passing legislation including the Reciprocal Access to Tibet Act, the Tibetan Policy and Support Act and the Resolve Tibet Act. Supporters of Tibet can learn more about TLD at <https://tibetlobbyday.us>.
